## TO ALL ASIAN AND OCEANIA FENCING FEDERATIONS

Greetings from the FCA.

We wish to inform you that the FIE will conduct an FIE Referees Seminar/Exam on February 21 to 23, 2018. This will be followed by a practical test during the individual cadet events of the Asian Juniors and Cadet Fencing Championships (AJCFC) to be held in Dubai United Arab Emirates. The daily schedule for the Exam is attached. Mohammed El Motawkel (EGY) and Ms. Irena Knysch (RSA) are the FIE examiners.

As per the guidelines of the FIE, all candidates for the FIE referees exams **MUST** possess an **FCA C License** for the specific weapon of the exam they wish to take. The list of referees who passed in the previous exams can be seen from the FCA website.

Interested C licensed Referees from Asia and Oceania are enjoined to submit your referees' Application Form (can be downloaded from the FIE website) directly to Ms. Natalia Bodrova (natalia.bodrova@fie.ch), and pay the testing fee of Euro 60 per weapon no later than January 21, 2018 (one month before the start of the seminar/exam). Each federation from Asia and Oceania can submit a maximum of one candidate per weapon, while the UAE Fencing Federation will be allowed to enter more candidates to complete the slots available. A maximum of 20 candidates per weapon will be accepted.

Moreover, all national federations can also propose their "B" license referees who have not functioned over the past two seasons, to participate in the practical exams on February 24 & 25, in order to renew the validity of their "B" license. The names of these referees must be submitted also to Ms. Natalia Bodrova no later than January 21, 2018.

Upon registration with and payment to the FIE, all candidates must directly make arrangements with the UAE Fencing Federation ([uaefencing@hotmail.com](mailto:uaefencing@hotmail.com)) for their visas, accommodation and arrival details.

Please be guided accordingly.

**CELSO L. DAYRIT**  
President
